Dear HFA

Regarding your new book, "The Holy Face of Jesus Christ", it moved me beyond words. I am going to reread it so that I can grasp it more fully. I will also share the book with family or friends, whoever is willing to read it.

God bless you for writing this book and starting the Holy Face Association! I am forever grateful that God lead me to this website.

I attend daily Mass but still felt a need to grow closer to God. So I asked Jesus to help me to increase my faith. What a miracle that God led me to the Holy Face Association! Praise be to God - Marilyn

Dear HFA

Thank you so much – "great evil" is permeating our (US) Republic. While I may be literally frightened to tears, I know this is the remedy this country needs. If God is for us, who can stand against us? God bless you - Angela

Dear HFA,

I have read the book, "The Holy Face of Jesus Christ, Discovery, Journey, Destination", and cherish the book. It brought an appreciation to the devotion! I also found an artist who painted the Face of Jesus that resembles The Shroud. I am spreading the devotion in every way possible. The Lord brought to my heart to intercede for the conversion of Hollywood about five years ago. ... - Nancy

Dear HFA

The Holy Face of Jesus medal is very powerful and has cured many people of many maladies including epilepsy and nervous disorders. ... Allow me this instant to say thank you for devotional materials! They are potent weapons to ward off satanic attacks, which rob souls of eternal life. Your consignments have tremendously added an imposing assistance to my work of reaching out to souls and preparing them for heaven. ...

I am prepared to be spent for the glory of the Holy Face of Jesus. Ever since I embraced this way of life, I am happier and healthier, and I fear nothing. Like St. Francis de Sales, I am impelled to say, "It's not necessary that I should live, but that souls should be saved". ... Let all people experience the gentleness, goodness, sweetness, protection, holiness, and mercy of the Holy Face; and venerate it for their own salvation, and of the wicked world. We would console Jesus by showing devotion to his Holy Face.

Imagine this: many people who were under demonic oppression have been liberated; the sick have been restored to health; the tepid have been granted a lively faith, and a firm hope, and continue to grow in charity; while others have been assisted in innumerable ways – why – they have embraced devotion to the Holy Face of Jesus. So often, at times, we do not perceive how our little offerings and sacrifices are pleasing to God; and how he utilizes them for the eternal good of souls! Let us remember always to humble ourselves.

Our heavenly Mother Mary and our Lord have entrusted to us the propagation of this devotion – not because we are better than anyone else; we have been granted this grace – undeserving as we are. We live continually under the protection of the blue mantle of Mother Mary. - Obed
