THE MOST BEAUTIFUL WORK UNDER THE SUN

To boldly go forth to spread devotion to the Most Holy Face of Jesus we must have that love which gives us the zeal, where nothing will stop us from trying to help God’s children, for whom He suffered so much that they may be saved.

Please, I feel it is very necessary to help so many to understand the importance of going to Jesus through Our Blessed Mother.

We should totally consecrate ourselves to Our Blessed Mother, She will help us to be pure and to grow in the love of Her Son Jesus. There are four books which you will find useful in making the total consecration which we now carry.

The 4 books are:

1. The Secret of Mary
2. The True Devotion to Mary
3. The Imitation of Christ
4. and of course the Holy Bible

From the HFA Mail Box

Dear HFA,

Thank you so much for sending me the information on the devotion to the Holy Face of Jesus. Ever since I put on the Holy Face medal and asked Jesus to take over my life, I have felt a peace. My whole life has changed drastically. Thank you from the bottom of my heart. Jim USA

Dear HFA,

Just a short note to thank you for the book. I love that book. While I was reading it, (as I often do) after a while it was hard to read because I was crying. I was feeling very touched and loved by the Lord. I am speechless about an experience I had while reading your book. God bless you and your work. Love Mary USA

Dear HFA,

Putting on the Holy Face medal, what a grace for me to put it on; almost like an investiture of a Holy Face habit. Be assured of our prayers in His Face. Sister John, USA

Dear HFA,

Thank you for your sharing of the Holy Face. It has brought alive the message and devotion for me in a special way. Thanks for writing the book on the Holy Face of Jesus Christ. May God bless you and your work. Peter, Australia
